

Allow us to introduce ourselves: we are the poop angels of Doggie Doos and Don'ts and we can't wait to help you take your yard back! With our services, it will be effortless to keep your outdoor areas safe, clean, and, best of all, **USABLE**. All of us here at Doggie Doos And Don'ts are passionate animal lovers with many years of experience in the pet service industry.

Founder, Rachel Azzato, has been working with animals since childhood and feels it is her life's purpose to bridge the worlds of animals and humans. She established Doggie Doos and Don'ts with the belief that customers' needs are of the utmost importance.

Our entire family team is heavily committed to meeting those needs. As a result, a high percentage of our business is from repeat customers and referrals.

Following our theme of making your life easier, we are more than happy to make a trip to your home (where your furbabies can remain most comfortable) for anything your pet may need. Our services include:

- 🐾 Dog Walking
- 🐾 Pet Sitting
- 🐾 Bathing & Grooming
- 🐾 Pet Nail Trims (\$15)
- 🐾 Anal Gland Expression
- 🐾 Private Obedience Classes
